

Château de Ruth

DOMAINES
Vincent Moreau

Château de Ruth stands in Sainte-Cécile-les-Vignes, located north-east of Orange in southern Rhone Valley. It is one of the oldest domains in the Rhone Valley, its name first appeared in 1561. Ruins of a convent built under King Louis XIV can be seen on the estate. In 2010 Vincent Moreau bought the beautiful property with the vineyard attached. He devotes all his know-how and enthusiasm to produce quality wines from the exceptional terroir of red clays and river stones

Southern Rhone Valley 2020 vintage : 2020 is an early and heterogeneous vintage. Rain in fall built up water reserves for a dry and mild winter. Bud break started early in spring. Sunny summer days were balanced with cool nights. Some rain spell in August encouraged the fruit to develop well. Grapes were harvested in an excellent sanitary state.
