

JOVLY - Chenin Blanc (Vouvray) 2018

After 2 difficult years in the Loire Valley, the vintage 2018 was a blessing. The only problem could have been the lack of water. There was no rain during July and August, so the vines suffered a bit but there were enough reserves in the soil thanks to the big rains during the Spring. The rains early September in Vouvray brought back the balance and in the end, 2018 was considered as one of the best vintage of the past 20 years.
