ABSTRACT

**Tasting: Beautiful garnet color, bright and dark. Powerful and generous nose evoking red fruits. Then come southern accents, fig, cinnamon and scrubland with a little musk. The structured and dense flesh dominates the attack on the palate and gives way to notes of jammy cherries, a little prune and laurel. A tannic web crosses the wine and lets us predict a lot of pleasure in 2 or 3 years. Everything is in place! Alliance dishes: Provençal lamb shoulder**
